About Thrivent and Habitat for Humanity

Thrivent is a mission-driven, membership-owned insurance and financial services organization that helps Christians be wise with money and live generously. Thrivent provides opportunities for its members to give back where they live, work and worship.

Habitat for Humanity is a global nonprofit housing organization working in nearly 1,400 communities across the U.S. and approximately 70 countries worldwide. Habitat’s vision is of a world where everyone has a decent place to live. The organization works to fulfill that vision by building strength, stability, self-reliance and shelter in partnership with people and families in need of a decent and affordable home.

Habitat and Thrivent Faith Builds

Impact is made by helping Habitat build homes alongside future homeowners who then pay an affordable mortgage.
